Issues and Answers was a once-weekly TV news program that was telecast by the American Broadcasting Company network from November 1960 to November 1981. The series was distributed to the ABC affiliate stations on Sunday afternoons for either live broadcast or video taped for later broadcast. Issues and Answers was ABC's response to such TV programs as NBC's Meet the Press and CBS's Face the Nation. It featured TV reporters interviewing selected newsmakers of the contemporary time period " mostly Answers is the place to go to get the answers you need and to ask the questions you want." Gen 1:31 And God saw everything that He had made, and indeed, it was exceedingly good. And the evening and the morning were the sixth day. Contact Us. Globe: +63 915 189 7007. answer (third-person singular simple present answers, present participle answering, simple past and past participle answered). (transitive, intransitive) To make a reply or response to." Mr. Knightley had done all in his power for Mr. Woodhouse's entertainment. Books of engravings, drawers of medals, cameos, corals, shells, and every other family collection within his cabinets, had been prepared for his old friend, to while away the morning; and the kindness had perfectly answered. 1864, Joseph Sheridan Le Fanu, Uncle Silas
