Common Sense is a 47-page pamphlet written by Thomas Paine in 1775-1776 advocating independence from Great Britain to people in the Thirteen Colonies. Writing in clear and persuasive prose, Paine marshaled moral and political arguments to encourage common people in the Colonies to fight for egalitarian government. It was published anonymously on January 10, 1776 at the beginning of the American Revolution and became an immediate sensation. This man is so far ahead of his time.
