Recent papers in Research Methodology in Translation Studies. Papers. People. Master Thesis by Ventsislav Stoykov. Through an interdisciplinary approach (historical anthropology and interpretation studies) to chronicles and archival material related to the Hispanomapucho treaties in the Araucanian frontier in Southern Chile (in particular during 17th- 18th C.) we propose two methodological tools for approaching interpretation as a historical practice. This experience leads us to conclude that there is knowledge to be derived from past practice through interdisciplinary dialogue.
