Life Application Study Bible New Living Translation Black Word search Cd. Brown & Tan LeatherLike. Black & Onyx LeatherLike. Teal & Chocolate LeatherLike. Gray Deluxe Linen Edition Hardcover. Pink Deluxe Linen Edition Hardcover. This Bible is just what I was looking for. The illustrations are wonderful and the notes are extremely helpful. The NLT translation is perfect and easy to read. It is quite thick and fairly heavy, but not to the point where it's difficult to hold or handle. I absolutely love it!! There are very helpful pages at the beginning that helps you know how to study, read and get the most out of your reading time. There's also timelines of the Bible, tables of ancient weights, measures and coins, Hebrew and Greek word studies, features index, maps, notes index, NLT dictionary/concordance, boo... This popular edition includes the complete New Living Translation text, book introductions, and a quick reference resource that will give you access to the wisdom of Scripture to meet your immediate need. Product details. Language : English. Some people pick up a regular bible and voila they understand it. Me I feel like I am reading an ancient language. I opened this book and it was comforting to be able to look at a passage and say "yes I understand." The New Living Translation (NLT) is a translation of the Bible into modern English. Originally starting out as an effort to revise The Living Bible, the project evolved into a new English translation from Hebrew and Greek texts. The New Living Translation used translators from a variety of Christian denominations. The method combined an attempt to translate the original texts simply and literally with a dynamic equivalence synergy approach used to convey the thoughts behind the text where a literal translation may have been difficult to understand or even misleading to modern readers. A part of the reasoning behind adapting the language for accessibility is the premise that more people will hear the Bible read aloud in a church service than are likely to read it or study it on their own.
