Cats are natural athletes and itâ€™s all too easy for an indoor cat to go stir crazy if it canâ€™t work out that excess energy. The good news is thereâ€™s no shortage of awesome cat toys that will keep your cat moving. There are toys that look like mice, toys with feathers, battery-powered toys with flashing light and sound, laser pointers, toys that move, toys on stringsâ€”everything that you need to help keep your cat pouncing and stalking safely indoors. Keep your indoor cat active and engaged with toys. Bird Viewing Stations. The reason that domesticated cats kill so ma
