AN: First of all, this novel is machine translated novel so it's really have a poor translation that can make your eye hurt and make you puke blood especially if you're good in English. The reason why I'm posting it is because I also want to read this novel but the translation in novel updates are too slow to update so I have no choice but to MTL it. If you don't like poor translated novel, I suggest that you search other books or you read this novel in novelupdates.
