

Insurgent Collective Action and Civil War in El Salvador / Cambridge University Press, 2003 / Elisabeth Jean Wood, Professor Elisabeth Jean Wood, Wood Elisabeth Jean / 2003 / 308 pages / 9780521010504

Wood shows that participants in El Salvador insurgency did not expect to gain more than non-participants, and in fact did not gain more, because non-participants were not discriminated against. I have found that this is true of virtually all collective actions. Verified Purchase. This book is a brilliant and comprehensive account of the networks that undergird rebellion in Civil War. Read more. ewaffle. 5.0 out of 5 starsThe moral basis for peasant revolt. 26 April 2015 - Published on Amazon.com. The Salvadoran civil war was one of the most public bloody conflicts of the Americas. Men and women were shot dead in public by uniformed soldiers or recognizable death squad members (called "unofficial security forces" by those with a macabre sense of humor). Explaining insurgent collective action; Epilogue: legacies of an agrarian insurgency; Appendix: A model of high-risk collective action by subordinate social actors; Chronology of El Salvador's civil war; List of references. Illustrated. Yes. "This book addresses an absolutely fundamental question in both social history and the study of revolutions: Under what circumstances and with what motivations do rural people mobilize collectively to achieve change? Building on ethnographic fieldwork and oral histories, Wood argues that the actions of rural people in El Salvador constituted an 'assertion of citizenship' not reducible to any calculation of the probability of altering outcomes or achieving exclusive benefits. Book Description. Widespread support among rural people for the leftist insurgency during the civil war in El Salvador challenges conventional interpretations of collective action. Those who supplied tortillas, information, and other aid to guerillas took mortal risks and yet stood to gain no more than those who did not. Verified Purchase. This book is a brilliant and comprehensive account of the networks that undergird rebellion in Civil War. Read more. Helpful. Nicaragua civil wars (both about 1:40).3 The death rate of civilians in El Salvador was 28 times greater than that of civilians under the military regimes of Argentina and Chile where human rights activists were said to run high risks.4. According to the Truth Commission (1993), the UN-sponsored. vi. But how the provision of collective goods in itself motivates individual participation in insurgent collective action, thereby squaring the Olsonian circle, is not evident. The FMLN did indeed become an alternative governing authority to some extent in some of the case-study areas and did provide some collective goods. Guerra civil en el salvador by Cybor001.
