Flock of birds Hovering above Just a flock of birds That's how you think of love. And I always look up to the sky Pray before the dawn 'Cause they fly away Sometimes they arrive Sometimes they are gone Fly on. Flock of birds Hovering above Into smoke I'm turned and rise Following them up. Still, I always look up to the sky Pray before the dawn 'Cause they fly away One minute they arrive Next, you know they're gone Fly on. O Lyrics. (fly on) A flock of birds hovering above A flock of birds That's how you think of love. And I always Look up to the sky Pray before the dawn Cause they fly always Sometimes they arrive Sometimes they are gone They fly on. A flock of birds Hovering along Into smoke I'm turned and rise following them up. Still I always Look up to the sky Pray before the dawn Cause they fly away One minute they arrive, next you know they're gone They fly on Fly on. So fly on Ride through Maybe one day I'll fly next to you. Read or print original O lyrics 2020 updated! A flock of birds hovering above / Just a flock of birds / That's how you think of love / And.
