The doctrine of parliamentary sovereignty has long been regarded as the most fundamental element of the British Constitution. In his classic exposition of the doctrine, A.V. Dicey described it as "the dominant characteristic of our political institutions", "the very keystone of the law of the constitution".<sup>1</sup> It is said that Parliament is able to enact or repeal any law whatsoever, and that the courts have no authority to judge statutes invalid for violating either moral or legal principles of. What is at stake is the location of ultimate decision-making authority—the right to the "final word" in a legal system. If the judges were to repudiate the doctrine of parliamentary sovereignty, by refusing to allow Parliament to infringe unwritten rights, they would be claiming that ultimate authority for themselves. 26.
