Apes and Monkeys What we would like to learn. about apes and monkeys How are monkeys different from apes? What we learned about apes and monkeys. Apes can make and use tools. www.houghtonmifflinbooks.com. Have the class make graphic organizers about a specific ape and gather information from Apes and Monkeys and from other resources. As they work on their organizers, they can consult the index of the book to check details about the ape they have chosen. Be sure to remind them to use the text and the photographs to gather their information. Sample graphic organizer: The circle map can be used to map out what the children know or learn about a specific topic. When the circle maps are completed, have each student write a story about the ape he or she mapped. Title : Apes and Monkeys (Kingfisher Young Knowledge). Publisher : Kingfisher Books Ltd.
