IFLA Annual Report 2006 / Compiled and edited by IFLA Headquarters The Hague, IFLA Headquarters, 2007 " 23 p. 30 cm. This annual report reminds us of the wide range of IFLA's activities and impacts, and offers us an opportunity to celebrate our successes and take courage from what we have achieved, thanks to the work of our staff, our hardworking officers, and many hundreds of loyal members across the globe. Peter Lor Secretary General. A scoping study was undertaken to determine the future development of IFLANET and the integration of IFLA's membership and financial systems. Work commenced on the latter project. National Research Council. 2007. Space Studies Board Annual Report 2006. Washington, DC: The National Academies Press. doi: 10.17226/12082. — From the Chair The foreword to this 2006 Annual Report of the Space Studies Board provides an opportunity to comment not only on our activities for the past year but also on the environment that has shaped those activities. As has been true for the past several years, and may well be for years to come, we live in an environment that is continually changing.
