Description:

About the Author C. Warren Hollister was Professor Emeritus of History at the University of California, Santa Barbara, received his BA from Harvard University and his MA and PhD from UCLA. A Fellow of the Medieval Academy of America, the Royal Historical Society (London), the Medieval Academy of Ireland, the Australian National University, the John Simon Guggenheim Foundation, and Merton College, Oxford, he was founder and past president of the Charles Homer Haskins Society and served as President of the Pacific Coast Conference on British Studies, the Medieval Association of the Pacific, the American Historical Association, Pacific Coast Branch, the North American Conference on British Studies, and was 1984 Centennial Program Chair of the American Historical Association, Chair of the University of California Press Editorial Board, and Chair of the national Development Committee for the College Board Advanced Placement Test in European History. Professor Hollister's many books have run through more than thirty editions and have been translated into several languages. He has also written some fifty articles on medieval history. Professor Hollister has served on numerous editorial boards, including Albion, the American

Historical Review, the Journal of British Studies, and the Journal of Mediaeval History. Among Professor Hollister's other honors were the Centennial Lectureship of the University of Georgia, the 1987 Denis Bethell Memorial Lectureship of the Medieval Academy of Ireland (Dublin), the 1988 Wilkinson Memorial Lectureship of the University of Toronto, the 1990 Lansdowne Lectureship of the University of Victoria, the 1996 Wei Lun Visiting Professorship of the Chinese University of Hong Kong, the Triennial Book Prize of the Conference on British Studies, the E. Harris Harbison National Award for Distinguished Teaching (Princeton University), and the UC Santa Barbara Faculty Teaching Prize.

Judith M. Bennett teaches medieval history and women's history at the University of North Carolina at Chapel Hill where she is Martha Nell Hardy Distinguished Professor. Educated at Mount Holyoke College, the University of Toronto, and the Pontifical Institute of Mediaeval Studies, she is the author of numerous books and articles about peasants, women, and families in the Middle Ages. Professor Bennett's research has been supported by the John Simon Guggenheim Memorial Foundation, the National Endowment for the Humanities, the American Council of Learned Societies, the National Humanities Center, the Folger Shakespeare Library, and numerous other agencies. She has held lectureships in Australia and England, as well as the United States. A Fellow of the Royal Historical Society in London, she has held offices in such professional organizations as the Medieval Academy of America, the North American Conference on British Studies, the Coordinating Council for Women in History, and the Berkshire Conference of Women Historians. Professor Bennett has received several awards for her scholarly books and articles, and she is also an acclaimed teacher at UNC-CH, where she has won a top teaching award and is now a fellow of the Academy of Distinguished Teaching Scholars. --This text refers to an out of print or unavailable edition of this title.

Geology and Mineralogy.Â P REFACE t remains an honor and a challenge to work with Medieval Europe: A Short History, a book that for more than three decades was marked by the historical vision and engaging style of C. Warren Hollister. Professor Hollister wrote in the preface to the eighth edition of his fateful realization, while in college, that our world today "is a product of the medieval past." I share his enthusiasm for understanding the medieval roots of our own society, but my own path to medieval history was different and, I must confess, somewhat less intellectual. Start your review of Medieval Europe: A Short History. Write a review. Dec 10, 2012 StrangeBedfellows rated it liked it Â review of another edition. This book is easy to read, includes relevant and interesting information, and covers medieval Europe on a broad scale rather than focus on one or two countries/empires.Â Medieval-era history is too contemporary for me, being an Egyptologist-enthusiast, but in all I enjoyed reading this work, which was a required reading for my Early Books and Manuscripts class. While in general it's not all that short of an introduction (it spans 362 pages of content), given the topics it covers (e.g., religion, culture, the humanities, society, socioeconomics, warfare, politics, public figures, myths/legends, etc.) the work is relatively succinct. This resource needs to be purchased with a credit card or the redemption of an access code. Please login to view purchased products or purchase new ones. Chapter 14 Medieval Europe: A Short History 12e eBook.Â Chapter 16 Medieval Europe: A Short History 12e eBook. Diversity and Dynamism in Culture, c. 1300-1500. This resource needs to be purchased with a credit card or the redemption of an access code. The Medieval period of history lasted for around 1000 years from 476 AD until around the middle to end period of c. 1500. It started with the fall of the Roman Empire in western Europe and ended when the Renaissance and Age of Discovery period began. Many historians believe that the medieval period ended with the battle of Bosworth in 1485. The Medieval period is also known as the Middle Ages as it is right in the middle of the three traditional divisions of Western medieval history. Medieval History itself is divided into three periods - Early , High Medieval and Late Medieval History. The Ea
