My own grandchildren got and still get so excited with each pop up that unfolds and, unlike the normal pop ups, these are three dimensional which makes them even more real. I can't recommend them enough and, in fact, have since bought another set for some more of my many grandchildren. Great value for money and worth buying. Read full review. The three PROS of the Encyclopedia Prehistorica Dinosaurs: The Definitive Pop-Up: 1. It has quickly become one of my son's most valued possessions. 2. It's teaching my son about how to have nice things (something my wife and I still need to learn.) 3. We've had it for over a month now without any damage. We bought the Encyclopedia Prehistorica Dinosaurs because we like to give each of our boys a good book for Christmas each year. We give them the book on Christmas Eve so we can sit quietly as a family and read the evening before Krampus comes to destroy us all. Bucky was pretty enamored with it. Bucky just turned four, and as a helicopter parent, I feel like I still need to hover over him when he's reading the book so he closes all the pop-ups and doesn't smash them. • Publishing News. Encyclopedia Prehistorica: Dinosaurs is a quality pop-up book packed with detailed information which will appeal to dino-mad boys. • The Bookseller. A visual treat as 35 dinosaurs of all sizes and in all colours pop up explosively from the pages Dinosaurs is fun just to open and be awed by, but the information makes it a book to spend a lot of time over, too. • The Guardian. Another fantastic pop-up book from Robert Sabuda and Matthew Reinhart...superbly illustrated and a must for dinosaur fans everywhere. • The Good Book Guide. Robert Sabuda turns pop-up books into an a Slickdeals Forums Deal Talk Encyclopedia Prehistorica Dinosaurs: The Definitive Pop-Up Hardcover Book \$15.66 + Free S/H w/ Prime or FS on \$25+.
