

# Cooking with Max: 45 Really Fun and Kinda Messy Recipes Kids Can Make // 64 pages // Max Nania // 9781589850590 // 2007 // Little Five Star, 2007

Cooking is a skill everyone should have, and kids can begin learning the basics at a young age. Doing so can make them more self-sufficient and more likely to make healthier meal decisions throughout their lives. But it's important to choose recipes that match their skill levels, which is where we come in. Cooking with kids has the potential to be messy and headache-inducing, but it doesn't have to be! We have the list of easy recipes for kids below, and here are our top three tips to make these cooking recipes for kids more enjoyable for everyone.

#1: Get Their Input. Read through the whole recipe to make sure it's manageable and you have the ingredients. Then, do all the prep first before you begin working through the rest of the recipe.

Children and grown-ups will have a blast making such delightfully named creations as Tie-dyed Pancakes and Crunchy Bugs & Cheese. Product Identifiers. Publisher. Fun for the whole family! "Cooking With Max is one of the most fun, funny, educational family books I've come across in a long time. It manages to use the kitchen as a classroom for the entire family. It's educational, it's well-thought out, it's a great resource for parents and children, and best of all - the recipes are great! We LOVE the peanut butter - it IS the best! Amazing that it came from the mind of a 7-year-old.
