The State of Wyoming is a state in the western region of the United States of America. The majority of the state is dominated by the mountain ranges and rangelands of the Rocky Mountain West, while the easternmost section of the state is a high altitude prairie region known as the High Plains. Within the boundaries of the "Cowboy State" is the first and largest National Park in the United States, Yellowstone, and Devil's Tower the first National Monument (1906). Wyoming is where the untamed spirit of the West and majestic natural beauty open your mind and invigorate your senses to release your own inner freedom and sense of adventure. For some, adventure may mean taking the kids camping in Yellowstone National Park or visiting a rodeo for the first time. For others, it could be conquering one of the most difficult mountain climbs in the West. It's a place where your own true grit is matched by all that surrounds you. Because some things can't be explained, only experienced. Wyoming, constituent state of the U.S. It became the 44th state of the union in 1890 and ranks 10th among the states in terms of total area. It is bordered by Montana to the north, South Dakota and Nebraska to the east, Colorado to the south, Utah to the southwest, and Idaho to the west. Its capital is Cheyenne. Old Faithful geyser, Upper Geyser Basin, Yellowstone National Park, Wyoming, U.S. George Marler/National Park Service.
