Post a quote from "MAGNIFICENCE EVERYWHERE" The Author: harun yahya Haroun Yahya The quote is the literal transfer from the source and no more than ten lines. Add. Cancel. Rate "MAGNIFICENCE EVERYWHERE". Report the book. Report Type. Books. Cristina of Aspen Aisle. One day, Will Millhouse, an ordinary, lonesome bachelor, encounters a young girl who claims to be his daughter from the future. Should he believe her? Cristina of Aspen Aisle is a mystery, a frontier adventure, and a love story that reminds us of the echoing beauty and joy all around us, if we are willing to see with new eyes. It's exactly the kind of book I would love to read but is impossible to find. I suppose I feel giddy, agape, aglow, awakened to fresh awareness that I too am a man in love. The word magnificence comes from the Latin "magnum facere", which means to do something great. The Latin word draws on the Greek "megaloprosopia". This noun conveys the meaning of doing something great which is fitting or seemly to the circumstance. Magnificence is a philosophical, aesthetic and socio-economic notion deeply rooted in Western culture since classical antiquity. It regards the greatness of actions, courage, excellence, honour, generosity, and splendour of lifestyles of noble purposes.
