Carrot Quinn, adventure travel writer, walks from Mexico to Canada and publishes a beautiful full-length book about the journey. -In April I begin a 2600 mile thru-hike of the Pacific Crest Trail. It's a five month hike, and during the trip I'll be posting updates on my blog every day, so you can follow my progress. -In January of 2014 I'll publish a physical book about the journey . The book will be paperback, and approximately 60,000 words. But I can't do any of this without your help. -In this campaign I'm selling pre-orders of the book at cost- the paperback copy is eight dollars, and the e-book is only a buck! This awesome deal is to trick you into buying copies for everyone that you know, Hiking -- Pacific Crest Trail, Pacific Crest Trail -- Description and travel. Publisher. Seattle, Wash.
