New worlds for old. A plain account of modern socialism. Downloaded from <https://www.holybooks.com>. By. H. g. wells. London constable & company ltd. 1912.Â This book seeks to expand and establish that proposition, and to define the principles upon which the Socialist believes this reconstruction of society should go. The particulars and justification of this project and this claim, it will be the business of this book to discuss just as plainly as the writer can. SS 2. Now, because the Socialist seeks the reshaping of human society, it does not follow that he denies it to be even now a very wonderful and admirable spectacle. Nor does he deny that for many people life is even now a very good thing. New Worlds for Old, which appeared in some later editions with the subtitle "A Plain Account of Modern Socialism," was one of several books and pamphlets that H.G. Wells wrote about the socialist future in the period 1901-1908, while he was engaged in an effort to reform the Fabian Society. Contents: Chapter I. The Good Will in Man Chapter II. New Worlds for Old is an anthology of fantasy short stories, edited by American writer Lin Carter. It was first published in paperback by Ballantine Books in September 1971 as the thirty-fifth volume of its Ballantine Adult Fantasy series. It was the fourth such anthology assembled by Carter for the series. The book collects fifteen fantasy tales and poems by various authors, with an overall introduction and individual introductions to each piece by Carter. The pieces range in date from the eighteenth New Worlds for Old, which appeared in some later editions with the subtitle "A Plain Account of Modern Socialism," was one of several books and pamphlets that H. G. Wells wrote about the socialist future in the period 1901-1908, while he was engaged in an effort to reform the Fabian Society. History Nonfiction. 305 printed pages. Publishers.
