Alphabet flashcards in uppercase and lowercase for your kindergarten! While at kindergarten I often used A-Z flashcards that were boring and didn't grab the children's attention in class. Because of this, I decided to make the ultimate alphabet flashcards set! All sets come with an additional set of alternative images just in case the teacher wanted to alternate between levels. These flashcards are perfect for singing the alphabet song or learning phonics. To make them even more useful I have included a FREE phonics chart!
