THE FORCE

Hay House Inc. Paperback. Book Condition: new. BRAND NEW, The Force, Stuart Wilde, The Force is part of each and every thing in the physical plane. This includes our planet, the stars and galaxies, and the physical universe, as it stretches out in space, beyond our perceptions. By its very nature, the Force is immortal and never-ending; because it is the inner light or 'living-ness' within all things, we call it universal.

Although it has its imperfections, The Force stands out for its uniquely equitable treatment of law enforcement as a complex organism necessitating difficult incremental changes. December 21, 2017 | Rating: 6/10 | Full Reviewâ€™| Argun Ulgen. The Force is a mysterious energy field created by life that binds the galaxy together. Harnessing the power of the Force gives the Jedi, the Sith, and others sensitive to this spiritual energy extraordinary abilities, such as levitating objects, tricking minds, and seeing things before they happen. While the Force can grant users powerful abilities, it also directs their actions. And it has a will of its own, which both scholars and mystics have spent millennia seeking to understand. databank.
