

Planning a Life in Medicine: Discover If a Medical Career Is Right for You and Learn How to Make It Happen - 400 pages - 9780307945006 - Random House Children's Books, 2011 - The Princeton Review, John Smart, Stephen Nelson, Julie Doherty - 2011

A life in medicine is something that many dream of but few achieve. The tests students face both literal and figurative just to get into medical school are designed to weed out the weak. In *Planning a Life in Medicine*, the experts at The Princeton Review will help you succeed in a premedical program, score higher on the MCAT, meet the challenges of medical school, and ultimately flourish in your medical career. More than just a comprehensive plan for getting into medical school, *Planning a Life in Medicine* is a handbook that will help you to cultivate the skills and habits such as compartmentalizing *Planning a Life in Medicine: Discover If a Medical Career is Right for You and Learn How to Make It Happen* (Career Guides). *Planning a Life in Medicine: Discover If a Medical Career is Right for You and Learn How to Make It Happen* (Career Guides) Paperback \$12.99 March 22, 2005. by John Smart (Author). This amazing book has wisdom in it I wish I had come across earlier in my student career. I am very happy with how comprehensive it is and would recommend it to anyone considering a career in medicine. U of A Premeds rock on! :) Read more. Discover seven books every medical student should read that show you the good, the bad and the ugly written by the people who know. If you're a medical student, chances are you study long hours and have very limited spare time for reading. However, while studying medicine can at times feel all consuming, you may be interested in hearing from people who have been through it all already and come out the other side. Medicine students will enjoy this book's ability to make you laugh out loud, but also appreciate its honest portrayal of the not always glamorous life of a junior doctor. Anyone who really enjoys this book will be pleased to know the BBC are releasing a TV adaptation.
