What are budget decision-makers key concerns throughout the budget process? How do loss-aversion, incrementalism, and parochialism affect budget-making? How does the format and presentation of a budget document affect how staff, clients, and other stakeholders perceive it? The Fire Chief accepted that criticism, and urged the City's leaders to invest in a significant upgrade to the Fire Department's facilities, equipment, and training. Then-Mayor Greg Nickels proposed a new, ten year \$197 million property tax levy to pay for that upgrade, and voters approved that levy in 2003. Learn about the real impact of budget deficits on the economy. See why government financing reduces private financing. An increase in the fiscal deficit, in theory, can boost a sluggish economy by giving more money to people who can then buy and invest more. Long-term deficits, however, can be detrimental for economic growth and stability. The U.S. has consistently run deficits over the past decade.
