In the book, Tocqueville examines the democratic revolution that he believed had been occurring over the previous several hundred years. In 1831, Alexis de Tocqueville and Gustave de Beaumont were sent by the French government to study the American prison system. Before finishing Democracy in America, Tocqueville believed that Beaumont's study of the United States would prove more comprehensive and penetrating.[4]. Contents. 1 Purpose. To pursue the central idea of his study "a democratic revolution caused by industrialization, as exemplified by America" Tocqueville persistently refers to democracy. This is in fact very different from what the Founding Fathers of the United States meant. Democracy in America. By Alexis de Tocqueville. Translator "Henry Reeve. A Penn State Electronic Classics Series Publication. Democracy in America, Volumes One and Two by Alexis de Tocqueville, trans. Henry Reeve is a publication of the Pennsylvania State University.
