#### Description:

Young wizard-in-training Harry Potter has had his hands full during his first four years at Hogwarts School of Witchcraft and Wizardry. As if excelling on and off the Quidditch field isn't enough, Harry has heard evil voices in the walls, saved lives, and fended off convicts. Only time will tell how Harry will manage the certain dangers in store for him over the next few years. The first four titles of J.K. Rowling's magical, witty, exciting adventures are now available in a gift set, perfect for the legions of children whose big brothers and sisters (and parents) have made off with their copies. These gripping fantasy novels are on the road to becoming classics--don't wait to collect these lovely hardcover editions, illustrated by the talented Mary GrandPré. Each boxed set includes *Harry Potter and the Sorcerer's Stone*, *Harry Potter and the Chamber of Secrets*, *Harry Potter and the Prisoner of Azkaban*, and *Harry Potter and the Goblet of Fire*. (Ages 8 and older) --*Emilie Coulter*

**Review** 'The world of Hogwarts is complete in every riotous, headlong detail. The richness and scale of Rowling's invention is exhilarating... but the real proof of quality

lies in J.K. Rowling's power to draw the reader into Harry's world and make it seem believable' Guardian 'The Harry Potter books are that rare thing, a series of stories adored by children and adults alike' Daily Telegraph --This text refers to the edition.

Get A Copy. Amazon.Â The Harry Potter series was the book series that turned me into a reader. I wasn't much of a reader before I was introduced to this WONDERFUL magical world! I thank Harry Potter for my life. Because I don't know where I would be if I didn't have books and I wouldn't have books without starting to read without the series. Hermione Granger is the person who is the role model that I will always remember because she was a leader, she was intelligent, and like me, she was a book person!
