

The Bible Really Does Make Sense - 2006 - Alan Foster - 9781467822626 - AuthorHouse, 2006

“You can’t really understand the Bible. It is full of contradictions.” “No one can understand the true meaning of anything anyone says.” Or, someone sitting in a Bible study might say, “This is what the Bible means to me.” The last lesson looked at the topic of inspiration and found that the Bible is both a human book and a divine book. There are certain implications of this for biblical interpretation. The first is that the human authors had a specific historical audience, context and purpose. When the literal does not make sense you probably have a figure of speech. For example, Isaiah 55:12 states the trees of the field will clap their hands. Since trees do not have hands or clap this must be a figure of speech. Start by marking “The Bible Really Does Make Sense” as Want to Read: Want to Read saving! Want to Read.
