The New Revised Standard Version, Catholic Edition (NRSV-CE) is a Bible translation approved for use by the Catholic Church, receiving the imprimatur of the United States Conference of Catholic Bishops and the Canadian Conference of Catholic Bishops in 1991. The NRSV-CE includes all 73 books of the Catholic Bible, including the deuterocanonical books, in the traditional Catholic order. In 2007, the Holy See officially approved (recognitio) the NRSV for the Lectionary of Sundays and Solemnities, the book used for public readings in the Canadian Roman Catholic Church. Catholic Bible Press editions feature Anglicized text using the spelling, grammar, and punctuation preferences of British English. History of Translation. The New Revised Standard Version is recognized in scholarly circles as the most accurate translation into English of the original Hebrew and Greek texts. In the tradition of its predecessors, the King James Version and the Revised Standard Version, the NRSV was designed to be the "standard" version for English-speaking people across all denominations, which in many ways it has become. None of the new, more sectarian translations have approached its standards of elegance and accuracy. Having my 'Bible' right there on my phone is perfect! I love this digital edition of the Catholic Bible. I bought it because it was the translation used in the Bible Study that I was facilitating. It's easy to navigate (perfect for Bible Study) and I can highlight and enter notes. The Holy Bible Containing the Old and New Testaments: Revised Standard Version/Catholic Edition.
