Block books, also called xylographica, are short books of up to 50 leaves, block printed in Europe in the second half of the 15th century as woodcuts with blocks carved to include both text and illustrations. The content of the books was nearly always religious, aimed at a popular audience, and a few titles were often reprinted in several editions using new woodcuts. Although many had believed that block books preceded Gutenberg's invention of movable type in the first part of the 1450s, it now is There is a newer edition of this item: BLOC-NOTES - CHERCHE ET TROUVE DANS LES CONTES (NOUVELLE EDITION) \$30.00 (2) In Stock.
